

# Q1 What do you love about the Warm Springs Preserve and don't want to see changed?

Answered: 108 Skipped: 4

#	RESPONSES	DATE
1	The open space and beautiful trees. A wonderful place to walk with dogs!	7/18/2022 1:37 PM
2	I love the amount of space and it is such a beautiful space. I also love the dog bags and trashcans. I think the space could probably use 1-2 more of those dog waste stations.	7/18/2022 9:52 AM
3	Nice to see some open space when everything else is being gobbled up by development, or will be gobbled up by development.	7/16/2022 11:34 AM
4	The long open space where dogs can run free.	7/16/2022 6:58 AM
5	The open space, the happy dogs	7/15/2022 9:56 PM
6	The upper areas are beautiful and don't need much change - just improved irrigation and more dog poop stations.	7/15/2022 7:13 PM
7	I Love the beautiful forested and lawn areas. the preserve as it exists today allows for people to maintain distances apart so t enjoy the tranquility, yet provide for asocial interaction	7/15/2022 4:58 PM
8	Open u developed space	7/15/2022 4:50 PM
9	Green space. Access to the creek.	7/15/2022 4:18 PM
10	Open space Disc golf course	7/15/2022 4:05 PM
11	Access to the river for dogs. And green space.	7/14/2022 2:56 PM
12	The dog park portion of the property.	7/12/2022 10:04 PM
13	Warm Springs is great! Why is the City spending money on this and not affordable housing?	7/12/2022 4:27 PM
14	ABSOLUTELY WIDE OPEN SPACE without tacky buildings and signage. Plus the poop bags and trash cans for dog waste.	7/11/2022 9:31 AM
15	1) Giant off leash dog space with multiple zones to either be social or get some peace/distance from others	7/9/2022 11:00 AM
16	The beautiful views and open space. I love the wildlife, the birds, and the trees.	7/9/2022 9:17 AM
17	Keep it maintained as is... No social events	7/9/2022 6:31 AM
18	No construction (except maybe public loos) - I love the wildness of the reserve. Continue to allow dogs off lead (hugely important to me). Restrict hours for frisbee golf?	7/9/2022 6:31 AM
19	It is a beautiful open space for all. I don't want to see anything changed.	7/8/2022 9:00 PM
20	Off leash dog access. Don't want to see a kids' playground, don't want to see picnic facilities or regular events with food	7/8/2022 8:57 PM
21	The natural open space. The way it is beautifully maintained year round. The mowed grass is great. Love the new parking area. Love that the bag dispensers are always full. Also conveniently located waste cans.	7/8/2022 3:42 PM
22	The disc golf course! We love to go out and play regularly.	7/7/2022 9:49 AM
23	The trees and year-round access	7/6/2022 12:49 PM
24	Suppose that it's better than having a slew of \$3 million dollar lots.	7/5/2022 7:02 PM
25	I love the open fairways and grass in the summer	7/5/2022 12:14 PM
26	Natural open spaces and trails in the winter for walking dogs.	7/5/2022 9:37 AM

## Warm Springs Preserve - Summer 2022

27	I love the open space/ fairways and grass	7/5/2022 9:21 AM
28	The maintenance was great when it was privately owned. I'd like to see it maintained with a contract to a local landscaping company. The city really messed up this purchase by not allowing any affordable housing to be built on it. This would have been a great opportunity to build housing for a care taker of the preserve but the city failed to have any forward thinking.	7/4/2022 10:47 PM
29	Creekside meandering and natural environment setting.	7/4/2022 9:17 AM
30	The upper dog walk area	7/4/2022 4:45 AM
31	That it is open to people and dogs off leash... and it will never be developed	7/3/2022 6:09 PM
32	Its a spot for locals to walk their dogs and play frisbee golf. Don't add picnic tables or playgrounds that will attract tourists. Off leash dogs don't mix with kids and food. I can't believe the city would even entertain this idea, the liability is insane. Too often the locals have to tell the tourists its not a good spot to have a picnic lunch or bring their kids. Off leash dogs and frisbee golf only, don't try to make this more than it needs to be. No paths needed. No shade structures. This park is unique because it doesn't have all the structures you find at other city parks. Keep it all natural...minus the grass.	7/3/2022 5:38 PM
33	The wildness. I know that it was once a manicured golf course but much of it has become wild over the last years and I hope that you will leave parts of it wild and cut the grass only on parts of it. The trees are the absolute best thing about the preserve. I also hope you don't get too crazy about cutting off pathways to the river or putting in steps and updating the river access areas too much. Again, please leave it more wild!	7/3/2022 1:23 PM
34	off leash and dog friendly	7/3/2022 12:01 PM
35	Frisbee golf and scenic walks.	7/3/2022 9:22 AM
36	The grass. Want to keep it and redo it. While the past owners did a great job maintaining, I'd like to see less golf course grass and more native grasses on the borders. Less water, more beauty.	7/3/2022 9:17 AM
37	Would love to have access west of the preserve even if a trail through the Forest Lands	7/3/2022 9:03 AM
38	I don't want anything to change! It's perfect.	7/2/2022 8:44 PM
39	No bathrooms, paths, slides, playgrounds, shade structures, picnic tables. Its perfect the way it is. I hope the city of Ketchum does not ruin it. Voters in the Mountain Express voted that their quality of life has lessened, don't keep making more mistakes and take away a local spot by turning it into some tourist spot. The city has already made it look horrible with portable bathrooms, storage containers, a dumpster, and a stupid large chair. The maintenance under private ownership was far better then what it is now with the city taking it over.	7/2/2022 7:48 PM
40	I don't want to see anything changed! That is why it's called a preserve! Definitely no infrastructure such as swings, slides (kid stuff)	7/2/2022 3:30 PM
41	There's no man made structures. Its an off leash dog park and frisbee golf course, do NOT change this. Do not make this into a "Disneyland". The beauty is its simplicity. The city of Ketchum has already introduced a big wooden chair....disgusting. Please remove this. I loved the maintenance of the park under private ownership. The city of Ketchum cannot maintain this, don't create a new staff position for this, contract for private maintenance services.	7/2/2022 2:08 PM
42	It is still "somewhat" natural. I appreciate its undeveloped/unimproved nature. Open expanses of grass are great	7/2/2022 10:06 AM
43	Natural beautiful space open to roam	7/2/2022 9:18 AM
44	I've never been to the preserve. I don't have a dog. I hike on hiking trails, and use parks like Atkinson for tennis, playground, and playing fields.	7/2/2022 8:36 AM
45	how undeveloped it is	7/2/2022 8:35 AM
46	Everything! The grass, trees, parking lot, dog water.	7/2/2022 8:32 AM
47	No private events and limited public events.	7/2/2022 7:45 AM
48	It is was it has been. And no added expense to the city of Ketchum tax payers!!!!	7/1/2022 11:31 PM

## Warm Springs Preserve - Summer 2022

49	Leash-free dog park	7/1/2022 8:59 PM
50	open space, freedom for dogs to roam unleashed, river access	7/1/2022 8:53 PM
51	Open grassy field Dogs off leash	7/1/2022 8:27 PM
52	Open space with no permanent buildings (except bathrooms) allowed.	7/1/2022 8:26 PM
53	Keep the mountain side free of structures or buildings.	7/1/2022 8:23 PM
54	Access to creek for humans and dogs	7/1/2022 8:16 PM
55	Open space lots of grass	7/1/2022 6:55 PM
56	The whole park open to dogs, open river access	7/1/2022 5:37 PM
57	dog park	7/1/2022 5:25 PM
58	I think it's great just the way it is and doesn't need anything.	7/1/2022 5:22 PM
59	Wide open spaces for dogs to roam, grassy pastures	7/1/2022 5:17 PM
60	the lack of development	7/1/2022 5:14 PM
61	I love its wide open nature, access to the water, and big trees. Also, I know a lot of people love the frisbee golf. I'm not a frofher myself, but I think due to its high usage, it would be great to keep that feature.	7/1/2022 5:11 PM
62	Frisbee golf	7/1/2022 5:08 PM
63	Preserve the trees and grass	7/1/2022 4:24 PM
64	Not allowing private events to take over all or part of the park.	7/1/2022 12:56 PM
65	Safe off leash dog park	7/1/2022 12:05 PM
66	Preserve as many trees as possible	7/1/2022 11:13 AM
67	The open space	7/1/2022 11:02 AM
68	Off leash dog access!	7/1/2022 10:51 AM
69	I love the trees and the natural aspects of the WSP. No paving of walkways/paths please!	7/1/2022 10:50 AM
70	the rustic nature of it, the park like feel of large evergreens widely spaced with lawn below; the access to the creek, the absence of paved areas other than the parking; although i would support a paved ADA trail and access around the outside perimeter, particularly along WS creek	7/1/2022 10:48 AM
71	I love the park setting and the hiking trail setting up above, all accessible during a single outing.	7/1/2022 10:44 AM
72	I haven't visited the area. I understood it to be primarily a "dog park" and since I don't have a dog I never considered visiting the preserve.	7/1/2022 10:32 AM
73	Love the open areas and really love the trails in the wooded area on the hill side	7/1/2022 9:36 AM
74	open space	7/1/2022 9:06 AM
75	Dog walking, natural landscape, fishing access to Warm Springs Creek.	7/1/2022 8:55 AM
76	Open space	7/1/2022 8:42 AM
77	Open space. Dog walking year round.	7/1/2022 7:27 AM
78	Favorite place! So wonderful to have better access and parking	7/1/2022 6:30 AM
79	We love the preserve and find ourselves going there every day. The accessible parking and pet waste stations throughout the park are so helpful.	7/1/2022 6:24 AM
80	Space- wide open space for dogs to run and play and Frisbee golf is fun and needs space.	7/1/2022 12:04 AM
81	the grass, river access, upper and lower areas to walk a "loop", off leash dog access, dog poop bags stocked throughout, garbage cans throughout for easy disposal	6/30/2022 10:22 PM

## Warm Springs Preserve - Summer 2022

82	The open space and leash-free atmosphere.	6/30/2022 10:21 PM
83	a large portion should remain a dog park	6/30/2022 10:18 PM
84	Open space with minimal development	6/30/2022 9:37 PM
85	I love the creek access along the park for the dogs to play in as we walk the grounds. I love all the poop bag stations and garbage cans for easy dog clean-up.	6/30/2022 9:30 PM
86	The informal, undeveloped feel and wide expanses.	6/30/2022 9:13 PM
87	The open space to walk with dogs off leash.	6/30/2022 9:04 PM
88	off-leash open space to walk my dog, access to the river, trees — i mean it's kind of perfect as is.....	6/30/2022 9:03 PM
89	I love everything about it, but let's now kill the dandelions, pave the parking lot, etc.	6/30/2022 9:00 PM
90	Open, natural space. Easy access to the creek for fly fishing and general enjoyment.	6/30/2022 8:58 PM
91	We love the open spaces, the access to the creek and the fun frisbee golf!	6/30/2022 8:24 PM
92	The mix of open grass meadows, shade under the pines, access points to the river for pup swims, quiet environment.	6/30/2022 7:18 PM
93	my dog and I can walk a circuit around the whole park. natural revegetation, if any	6/30/2022 7:14 PM
94	Dogs allowed off leash.	6/30/2022 7:09 PM
95	Open space and natural environment. Also, creek access	6/30/2022 7:03 PM
96	The trees and natural vegetation.	6/30/2022 6:28 PM
97	It is a friendly, unorganized place to stroll with your dog(s). Everybody picks up after their dogs.	6/30/2022 6:20 PM
98	Disc golf course	6/30/2022 6:18 PM
99	It's undeveloped nature.	6/30/2022 6:01 PM
100	Natural space where dogs and people and sometimes wildlife can roam free. I enjoy watching folks play disc golf. The kids and the dogs love to access swimming spots on the creek. I love that in the winter sometimes the "trails" gets plowed so that it is easy to walk on the snow. Thank you for restoring all of the dog poop bag stations and garbage cans throughout the park to remind people to pick up after dogs.	6/30/2022 5:59 PM
101	That it's Open Space for all to enjoy with many different activities.	6/30/2022 5:52 PM
102	Frisbee golf. Don't change anything with the caption below.	6/30/2022 5:48 PM
103	The dog park and open spaces	6/30/2022 5:45 PM
104	Beautiful, nature-filled, open space to watch birds, listen to the creek, walk with grandchildren.	6/30/2022 5:42 PM
105	Large undeveloped natural space	6/30/2022 5:37 PM
106	The simplicity and location and the people who use it.	6/30/2022 5:29 PM
107	Safe , open space for us and our dog to roam.	6/30/2022 5:24 PM
108	Off leash dog access. I want the preserve to remain a dog park	6/30/2022 5:19 PM

## Q2 How can we improve the Preserve and your experience?

Answered: 109 Skipped: 3

#	RESPONSES	DATE
1	Continue to maintain the grass and snow removal for paths in the winter	7/18/2022 1:37 PM
2	The preserve is often irrigated during the restricted times (after 10am and before 5pm) and it does not seem to fit the exceptions around new plantings. It's frustrating and sets a bad example for water conservation.	7/18/2022 9:52 AM
3	More parking, encourage walking and disabled access trails, not just dogs and frisbees. Make it a park for everyone (and not everyone loves dogs). Keep it clean.	7/16/2022 11:34 AM
4	Improve or delete the pond next to the river so there isn't stagnant water in it. Irrigate the area that is now brown next to the river.	7/16/2022 6:58 AM
5	Leave it alone as much as possible	7/15/2022 9:56 PM
6	The lower area needs irrigation and creekside preservation. The irrigation pond needs to go.	7/15/2022 7:13 PM
7	add irrigation to all of the existing lawn areas, revegetate the dry area along the river.	7/15/2022 4:58 PM
8	Don't call it a dog park, there's enough dog poop & entitled dog owners in the area...call it a Preserve & then preserve it (meaning EVERYONE needs to clean up after their dog - don't leave it for the poop fairy).	7/15/2022 4:50 PM
9	Restore the riparian area and native species wherever possible while preserving some grassy areas. Offer seating and viewpoints.	7/15/2022 4:18 PM
10	Improve disc golf course <sup>6</sup> Provide unique outdoor opportunities not just ball park, soccer field etc.	7/15/2022 4:05 PM
11	Get rid of all the dog poop. It is over the top how many humans can't seem to see where there dog poops....really, they aren't even trying. A park is not 'just for the dogs' it is a city park for all people where dogs are allowed if appropriately managed and controlled.	7/15/2022 3:55 PM
12	It's been wonderful as is and a gift for many years. I feel positive that it will be thoughtfully developed.	7/14/2022 2:56 PM
13	More doggie poop dispensers/trash cans. Most were removed this past winter. Shaded restrooms would be great, too.	7/12/2022 10:04 PM
14	Warm Springs is great! Why is the City spending money on this and not affordable housing?	7/12/2022 4:27 PM
15	A bathroom with ability to wash hands.	7/11/2022 9:31 AM
16	1) Both summer and winter trail. In summer, a pedestrian only shady trail that makes use of the hill/topography is long enough for a good sweat. I see pros/cons to connecting to other on Mtn trails. Winter: groom it for Xc. Again, no snow bikes for ease of dog harmony. 2) kid play structure or wild/natural features that kids can play on (see Scandinavian concept of wild playgrounds) - rocks/hills/logs/bridges. Great for dog agility work as well. 3) Good dog swim hole deep and safe enough to work through the higher& lower flows	7/9/2022 11:00 AM
17	The dogs can be disruptive to the tranquility and the wildlife. I love dogs, but they should be allowed only on leash and in the upper part of the preserve. They should not be allowed along the creek bank where they disrupt water fowl and fish.	7/9/2022 9:17 AM
18	bathrooms River erosion upkeep Bridge to other side of river south of dog park	7/9/2022 6:31 AM
19	I love it already and so relieved no million dollar homes are being built there. I also love the idea of nordic trails in the winter.	7/9/2022 6:31 AM
20	Not mess it up like the city is messing up Ketchum. Leave it alone.	7/8/2022 9:00 PM
21	Winter grooming, more than one dog waste bin	7/8/2022 8:57 PM

## Warm Springs Preserve - Summer 2022

22	Provide access for west side neighbors either through Norwegian Woods or adjacent to. It's a shame to have to load the dogs in the car and drive when we visit the park.	7/8/2022 3:42 PM
23	Aluminum can recycling bin. Lots of cans are in the trash bins	7/8/2022 2:20 PM
24	Bike racks and restrooms would improve the park	7/7/2022 9:49 AM
25	It would be great if the lower dusty section could be irrigated and planted with drought tolerant grass (scottish links)	7/6/2022 12:49 PM
26	Bring back warm springs golf course. Bring back the frisbee golf course. Build affordable housing there.	7/5/2022 7:02 PM
27	Please consider adding fat bike trails in the winter. They would be non-permanent and should cause no harm. Also please consider making fat bike trails exclusive to bikes as person and pet tracks lead to post holes and rough terrain. It is also difficult to ride past people/ pets on a narrow trail. There are few places to ride fat bikes besides the bike path (not interesting terrain) or at Sun Valley nordic (expensive). Fat bike trails are easy to set in with a snowmobile and a roller (I have access to a narrow roller designed for fat biking) I host the annual Fat Bike Fondo in Stanley every February and know for a fact that there are a lot of fat bikers in this community both full time and part time. Fat biking is a good alternative when skiing is poor, for non-skiers, for skiers taking a day off and it's good for retail business to sell bikes and gear. Look up the Fat Bike Advocacy Group FBAG on facebook.	7/5/2022 12:14 PM
28	Public restrooms, more dog poop garbage stations.	7/5/2022 9:37 AM
29	Please include fat biking trails in the winter. There are so few places to ride, except for the flat and boring bike path or the expensive sun valley nordic trails. Note: if you can allow a fat bike trail, it would be best to keep it exclusively for bikes as pedestrians and dog tracks would roughen the trail. Also, it would be hard to ride by walkers on a narrow trail. Thanks for considering.	7/5/2022 9:21 AM
30	Key word, preserve...not a park. Please don't place any park like features on this beautiful piece of land.	7/4/2022 10:47 PM
31	Walking trail along creek, Nordic trails and other walking paths connecting eastern and western portions of site. Also connecting trail from Warm Springs base area to preserve eastern flank.	7/4/2022 9:17 AM
32	As Pickleball is the fastest growing sport in the Country and the Wood River list of players has grown from 65 to over 425 in two years I think that 4 pickleball courts should be constructed on the public preserve.	7/4/2022 8:45 AM
33	Install a sprinkler system and reseed the lower dog walk area. Put in groomed nordic ski and snow show trails on the upper and lower dog walk areas in the winter time.	7/4/2022 4:45 AM
34	Disappointed that there is no affordable housing in the developed area.	7/3/2022 6:09 PM
35	More grass, better irrigation. Only half of the park is currently utilized, expand it to the east and south. The current maintenance is pretty bad, the city should consider contracting for maintenance not keeping it in house with more city staff. The previous maintenance under private ownership was far superior.	7/3/2022 5:38 PM
36	We need more dog waste bins & more strict signage regarding speed limit on the new road to the new parking area. People are driving ridiculously fast there. I miss having a "steward" i.e. Steve riding around on the gator checking things out, talking to people, emptying the dog waste bins. Basically, we need a "docent".	7/3/2022 1:23 PM
37	specific trails for walking/jogging. Maybe distance markers?	7/3/2022 12:01 PM
38	Walkable trail from warm springs to hemmingway/town. It would be much shorter and more direct than bike path and encourage more walking through town	7/3/2022 9:22 AM
39	Best way to manage the Preserve is get it out of the hands of the city and give it to people that understand land: the Wood River Land Trust. Trust is the key word.... No one trusts the city on this one. Just the fact they negotiated themselves into the ownership says a lot about them.	7/3/2022 9:17 AM
40	After over 40 years of being able to access 1st the Warm Springs Golf Course and now preserve neighbors off of Aspen Dr, Fir and Cedar are denied access to the preserve	7/3/2022 9:03 AM

## Warm Springs Preserve - Summer 2022

41	The nordic route will be awesome! Otherwise, not much!	7/2/2022 8:44 PM
42	Put it in a good irrigation system that maximizes water efficiency and waters at night when it is most effective. Do not do anything else. If the entire park is grass, you don't need a walking path. The entire park is a walking path. Do not build playgrounds on promote this park. It is for the locals not tourists. Current park users consistently have to tell parents its an off leash dog park and not a good place for kids. Don't try to make this into some family friendly place, send them to the poorly maintained Atkinson's park.	7/2/2022 7:48 PM
43	Habitat restoration, environmental education... Education on impact of every carbon footprint	7/2/2022 3:30 PM
44	Put this park into a non-profits hands. The locals have no trust in local government to manage this park and we fear them turning this into some type of marketing ploy. Contract maintenance services. Don't build anything. Don't spend money on a master plan. Don't attract kids to an off leash dog park...I can't even believe playground equipment was proposed by the city. Again, this is why local have no trust in city government.	7/2/2022 2:08 PM
45	Avoid improving it with structures. Leave it alone, put in a good sprinkler system and that's it. It does not require facilities or much change.	7/2/2022 10:06 AM
46	More benches. Other than that it's perfect	7/2/2022 9:18 AM
47	It would be nice to have activities for kids, like nature discovery. And wildflowers, meadows, bird watching. I would like to see less manicured grass - more wild grasses with meandering paths. This would be nice for elderly nature lovers.	7/2/2022 8:36 AM
48	Don't throw big parties!	7/2/2022 8:35 AM
49	More benches and dog poop receptacles. Maybe block off dirt roads to river access so dogs don't run down to it from upper grass area.	7/2/2022 8:32 AM
50	Seems fine as is.	7/2/2022 7:45 AM
51	Don't add on more expenses to the Ketchum tax payers. Charge an entrance fee to dog s and walkers to help maintenance fees at a gate entry like the airport!!	7/1/2022 11:31 PM
52	PLEASE keep the dog park! Please don't limit or diminish it	7/1/2022 8:59 PM
53	more trash cans, benches and/or seating areas, maybe bathrooms	7/1/2022 8:53 PM
54	Hold events	7/1/2022 8:27 PM
55	I have long wondered why there isn't a foot trail that runs from WS to River Run on the dirt. There are random trails near the frisbee golf range, but nothing that connects or goes the length. Maybe something to the lower part of Bald Mtn Trail. This would be awesome for runners and hikers.	7/1/2022 8:23 PM
56	Outdoor ice rink	7/1/2022 8:16 PM
57	Drinking fountain	7/1/2022 6:55 PM
58	Clean up the weeds, improve the grass, walking paths	7/1/2022 5:37 PM
59	Possibly improve parking.	7/1/2022 5:22 PM
60	Better parking and trails	7/1/2022 5:17 PM
61	try to leave it as is as much as possible	7/1/2022 5:14 PM
62	Improve the irrigation to save water and get that yucky storage pond fixed! Also have a plan for noxious weeds. And help repair the riparian area, which is pretty terrible around there. And there probably doesn't need to be as much mowed grass as there currently is. I do think a lot of people appreciate having the large lawns, but perhaps there are areas that could be reduced without an effect on the feel and naturalized to save water.	7/1/2022 5:11 PM
63	More live music!!!	7/1/2022 5:08 PM
64	A few more doggie bag stations would be nice. Encourages people to pick up after their dogs.	7/1/2022 4:24 PM
65	1. Create an easy connection between then north former golf course area and the eastern portion on the east of the major ridge line. This would double the accessible park area. 2. Groomed nordic trails for the winter with signage asking that people avoid damaging the	7/1/2022 12:56 PM

## Warm Springs Preserve - Summer 2022

groomed trails by walking on them. 3. Note that accomplishing request #1 will allow the nordic trails to be twice as long as they extend into the eastern portion of the park.

66	Make pond safe with sloped sides Create a bike free preserve Separate picnic area in little used southern portion of preserve (my off lease dog and your picnic ) Form a safe wadding area on River for kids and pets	7/1/2022 12:05 PM
67	Create some places for easy fishing access to Warm Springs Creek	7/1/2022 11:13 AM
68	Stream restoration	7/1/2022 11:02 AM
69	Add more trails up the hillside into the forest- or even a connector trail to river run or warm springs! Add a kid play structure or features that are tactile and kids can interact with (willow branch houses or sculptures, rolling terrains or rocks to climb on)	7/1/2022 10:51 AM
70	Keep picnic tables, etc. close to entrance and river. Keep totally natural most of the Preserve.	7/1/2022 10:50 AM
71	good irrigation, xeriscape where possible? add irrigation for the dry patch; some recognition of the Simpson Family, the golf course, the other pioneer families who were here in the early 1900's. would be great if a small dog beach could be incorporated somewhere that would not impact neighbors. a little switchback trails up into the forest that eventually connected to the bald mountain trail and frenchmans drainage	7/1/2022 10:48 AM
72	I'm just a little concerned about the numbers of frisbee golfers now, and the potential injury to dogs. But I'm not sure what could be done about it.	7/1/2022 10:44 AM
73	Although I understand there will be a demand for a portion of the park to be maintained for dogs, I would love to see the rest of the design geared toward wildlife and walks. I also hope it will be eco-friendly and not require large quantities of water and irrigation - we need to conserve water! There is a wonderful park in Boise that could potentially serve as good model; The Kathryn Albertson Park. A few years ago, they replaced all the mowed lawns with natural, native plants. Its mission is to be a "haven for wildlife and quiet contemplation." The park features wide, paved footpaths through a (mostly) natural landscape.	7/1/2022 10:32 AM
74	More benches spread around, a couple of picnic tables, the items you've already identified, e.g., bathrooms, improved sprinkling. Improved quality of grass, maybe an area that has yard games (but needs to be easy to maintain)	7/1/2022 9:36 AM
75	nice to have a limited number of affordable housing for city employee to maintain preserve... live where the work	7/1/2022 9:06 AM
76	If possible, provide trail access from parking area to the southern extent of the preserve, as outlined in blue on this map. This would be a wonderful area for walking and fishing. I haven't found access to this area except by wading downstream in the creek.	7/1/2022 8:55 AM
77	Restore the river. Reconnect flood plain	7/1/2022 8:42 AM
78	More benches for rest and relaxation. Plenty of poop bag stations and recepticals.	7/1/2022 7:27 AM
79	Please have more " poop" disposal places!! So many are not picking up and last winter it got really bad! Hopefully that will help!	7/1/2022 6:30 AM
80	It would be wonderful if there was a place for pets to get a drink of water. Perhaps a pet fountain using the plumbing from new restrooms and maintenance building.	7/1/2022 6:24 AM
81	Watering at night Keep it natural Prune the trees Plant wild flowers Groomed paths in the winter	7/1/2022 12:04 AM
82	You mentioned cross-country trails in the winter. I would love that!	6/30/2022 10:21 PM
83	the improvements already done are wonderful. the parking area is great.	6/30/2022 10:18 PM
84	Groom xc trails	6/30/2022 9:50 PM
85	Leave it alone	6/30/2022 9:37 PM
86	Parking. I know there is a new plan set with the bridge, but parking and "organized" parking would be great so it's not mayhem like it's been the last several years on busy days.	6/30/2022 9:30 PM
87	The lower portion is less enjoyable with dirt, gravel, and lack of vegetation. Developing that into something more welcoming would help. Doesn't have to be grass. Maybe native	6/30/2022 9:13 PM

## Warm Springs Preserve - Summer 2022

	vegetation.	
88	Orient map at the parking lot to reflect where you are. It is upside down now and hard to understand.	6/30/2022 9:04 PM
89	bathrooms!! steps down to the river near the bridge — so many people fall there. put grass in the area that is weeds and dirt, pave the road (the potholes get bad in spring,	6/30/2022 9:03 PM
90	Get the sprinkler system working properly, so the grass is more like the old golf course. Develop a master landscaping plan...add additional benches, outdoor art, quiet spots.	6/30/2022 9:00 PM
91	Restrooms are needed. Perhaps a bit more parking too. Maybe dedicated picnic areas.	6/30/2022 8:58 PM
92	Better signage for the golf but keep it low key Can we have any other community events there besides the summer solistice? Get volunteer committees to help with upkeep, etc	6/30/2022 8:24 PM
93	It's pretty close to perfect.	6/30/2022 7:18 PM
94	a few more benches & a safe area for dogs to enter the river.	6/30/2022 7:14 PM
95	Provide more waste cans for people to take care of their dogs. Provide a dog friendly groomed Nordic trail.	6/30/2022 7:09 PM
96	Improve creek access and maybe some trails in the woods and southeast side of preserve	6/30/2022 7:03 PM
97	Keep it as natural as possible, please!	6/30/2022 6:28 PM
98	Keep irrigation to nighttime hours. I did not know about the southern portion along the Creek until I saw the map above. Perhaps it is too steep. If there are no trails in there, they would be a welcome addition.	6/30/2022 6:20 PM
99	Better signs and baskets and tee pads for course. Benches restrooms	6/30/2022 6:18 PM
100	Irrigation and rest rooms. Let's keep it as natural as possible.	6/30/2022 6:01 PM
101	I'd like a better trail that connects to Warm Springs and River Run and how about one that goes to the top to access Baldy? I'd also love a second bridge across the stream farther west. We used to do a loop through the preserve and onto Warm Springs by using the bridge off Aspen, but now that is cut off due to private property signs in Norwegian Woods. This would allow more people who live in the Warm Springs area to just walk through the park from their homes without having to drive to the park and do a loop within the park. A bathroom. Please do something more interesting about the stagnant irrigation pond. The stream banks need preservation, but still allow stream access.	6/30/2022 5:59 PM
102	Make the Creek bank look riparian instead of Owen Simpson's attempt at bank stabilization using demolition debris. Hiking/Biking trails to connect to River Run and Warm Springs bases. Groom something you could XC Ski on in the Winter. Lots of dog poop stations and a lifetime ban for the dog and owners if they don't pick it up. A sign that says "Be nice or go somewhere else". Once a year Solstice Celebration. Think about an access to the Southerly 18 acres until Bob Brennan decides to develop it. Don't spray chemical herbicides or fertilizers. Irrigate only enough to keep the grass alive in select areas. Legalize it in the Preserve so the frisbee golfers won't go to jail. Warn people about avalanche hazard in the Winter, I can help with that part, just don't encourage people to Winter walk along the toe of the North facing slope. Permanent restrooms instead of Porta-Potties.	6/30/2022 5:52 PM
103	Take an acre or two at the south end and build workforce housing. It's shameful we didn't make this part of the plan.	6/30/2022 5:48 PM
104	Another garbage can halfway down the park, some weeding	6/30/2022 5:45 PM
105	Create separate spaces for recreation (EG., Frisbee), and spaces to walk and stroll along the creek, spaces to appreciate the birds and deer and nature.	6/30/2022 5:42 PM
106	Bottom section is a dust bowl and would benefit from soil topcoat and natural grasses and trees	6/30/2022 5:37 PM
107	Keep it simple! Existing grass lawns and add irrigation so all area is watered below bench.	6/30/2022 5:29 PM
108	Protect what we have in the Preserve which requires a master conservation plan. Very pleased to see the extent of outreach/communication to community.	6/30/2022 5:24 PM

109

Permanent Bathrooms would be a welcome addition. I don't love the frisbee golf course—fancy frisbees and dogs just don't really mix.
